

Paper Airplane Game

Materials:

Large piece of cardboard

Paint, markers, etc

Plain white paper

Directions:

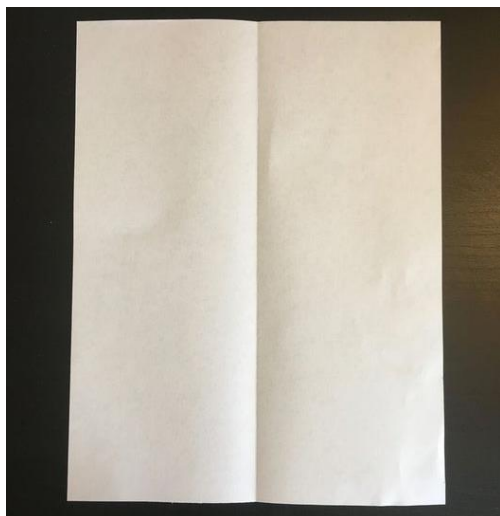

Using a large piece of cardboard cut out 3 circles of different sizes.

Decorate your cardboard however you like

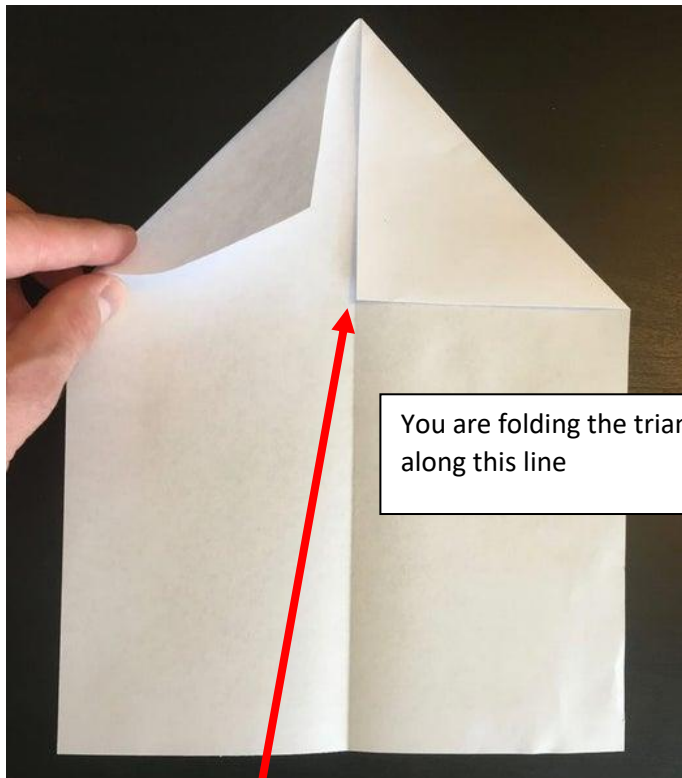

- You can label each circle a different number for how many points it is worth
- Name your game!

To make paper airplanes that fly well:

Take your piece of paper and fold it in half hot dog style and unfold:

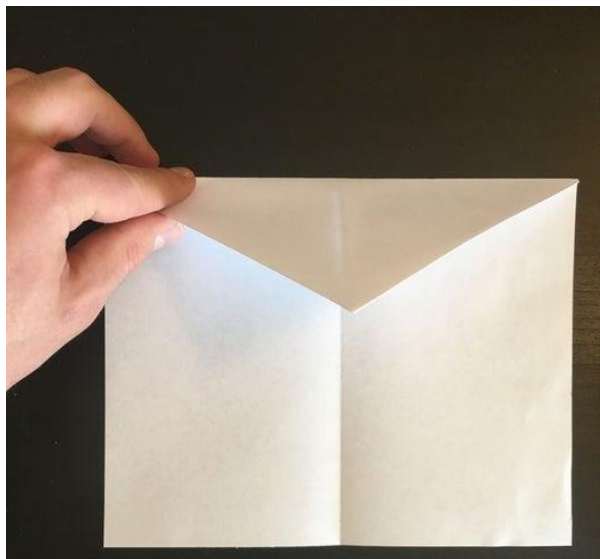

Fold down your corners to meet that middle fold:

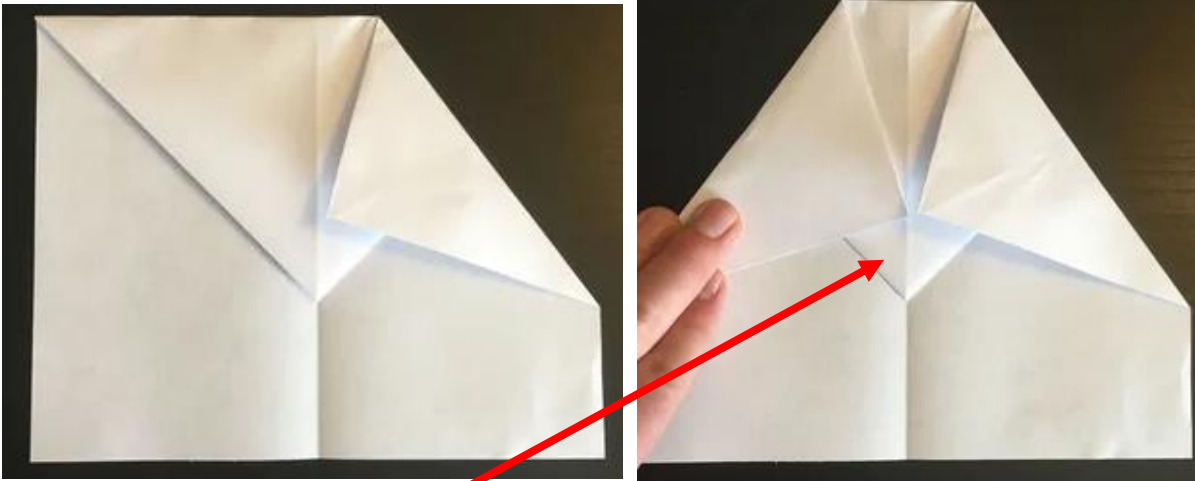

You are folding the triangle down along this line

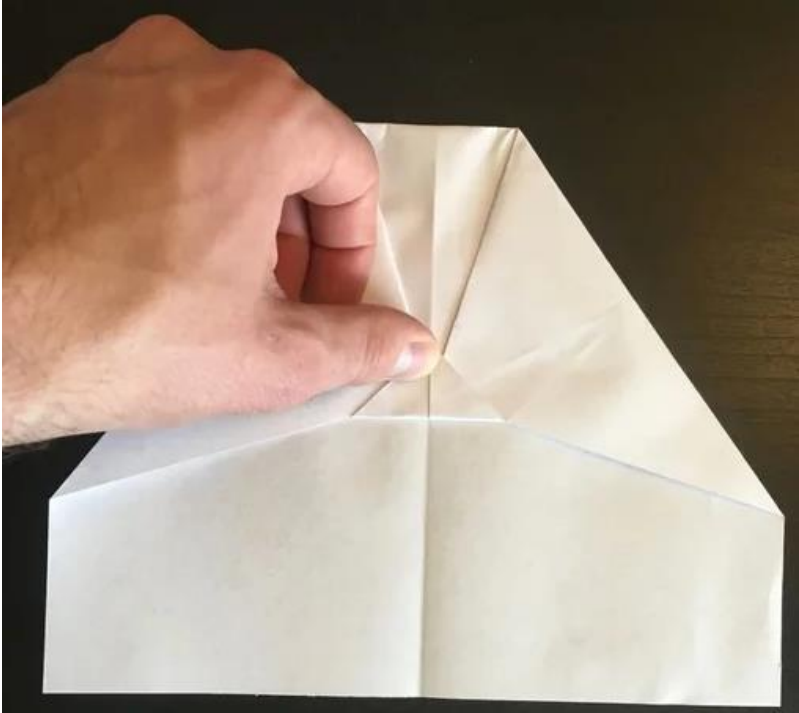

Fold down the triangle you just made with the point of it lining up on that middle fold:

Fold your top corners so that the points meet in the middle crease:

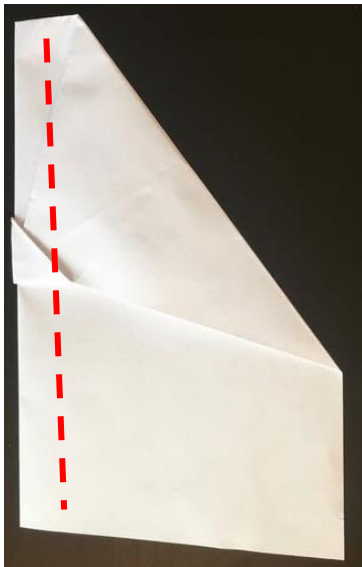

Fold the little triangle up:

Flip it over and fold in half:

Fold down your wings! You want to fold it so there is half an inch from the bottom

Make a small fold at the tip of your wings:

And your paper airplane is done!
