

Harry Potter Wands

This is a great activity to get your kids outside for a little bit.

Materials:

- Sticks
- Modeling clay
- Glue
- String
- Paint
- Hot glue gun

Directions:

1. Gather pieces of twigs and sticks
2. Decorate your stick.
 - a. You can use clay to mold around the stick
 - b. Hot glue around the stick and let dry
 - c. Dip string in glue and wrap around the stick and let dry
3. When clay, glue, etc is dry, paint your wand
